VARSITY FOOTBALL

Rain played an important part in the outcome of most of this season's football games, since on four Saturdays rain made it impossible to employ the passing ability of quarterback John Antosca. However, when the aerial game was possible, Jim Haley and Mark Ottey proved adept at snagging almost any variety of pass. When the team switched to a ground attack, the running skills of Bob Laughton produced needed points. Laughton was high scorer for the season with 26 points. Porter Hulett, J. D. Reynolds, George Yeomans, Don Erion, and Bill Rose were solid assets in defensive play.

The first game, played at home, was lost to a strong Williston team, 36-8. Completely out-played in the first half, Vermont came back in the second half to play an improved game and score its only touchdown of the game.

The Wildcats hoped to repeat their last year's history-making defeat of Deerfield, but the final score in the game played away was 14-0 in Deerfield's favor. The Vermonters played on even terms with Deerfield, but a few critical plays made a big difference in a game that could have gone either way. An intercepted V.A. pass and the halftime whistle's blowing with V.A. on the Deerfield's one-yard line spelled the difference.

On Parents' Weekend the team was in high spirits for the Wilbraham game and put on a good show for their friends and relatives in the audience. Vermont, plainly the stronger team, completely outplayed the visitors and won 22-0.

Rain on October 24 made it necessary to postpone the New Hampton game until the following Monday. The team met a very strong New Hampton club on its own field after a grueling trip. Playing only mediocre ball during the first half and losing at the half by twenty points, the team bounced back in the second half to score once in the third quarter and twice in the fourth before they finally lost 22-28.

The following week the team traveled to Cushing Academy where they played on a mud-covered field which made both ground attacks and passing plays difficult. Bob Laughton scored V.A.'s touchdown, while Cushing scored on a recovered fumble in the Wildcats' end zone to tie Vermont, 6-6.

V.A. suffered another defeat when a strong Mount Hermon team marred the Homecoming celebration by overpowering Vermont 14-0.

The team and the school were fired up for the last game of the season, the traditional game with K.U.A. The whole school journeyed to Kimball Union to cheer the squad on to a 20-8 win. Bob Laughton and Jim Haley scored touchdowns, and Mark Ottey made the extra-point kicks.

With the fervent leadership of Captain Penn Lardner and the fine coaching of Mr. Lucy and Mr. Choukas, the team played some good ball games. It was a good season despite the 2-4-1 record.

J.V. FOOTBALL

Although the material, the effort, and the team spirit of the Junior Varsity football squad were each quite good, the team ended the season with a 2-4 record. The score sheet is not at all indicative of the team's ability.

The season started off fast with an impressive 12-6 win over K.U.A. and a hard-fought game with Brattleboro in which V.A. finally triumphed, 8-0. In the next three games, the opponents were simply too strong for the J.V.'s. Finally, though coaches Castagner and Van Order had the team ready for a repeat performance of the first ball game of the season, Kimball Union's fast start combined with some bad breaks resulted in a heartbreaking 6-0 defeat.

The first team was composed of Gleason, Ashworth, Cray, Minich, Donaldson, Compson, and Partel on the line, with Mason, Gillette, Dunn, and Galacar in the backfield. Standouts on defense were Stanley, Dunn, Hope, Ashworth, and Calder, while Bill Mason did an outstanding job as offensive quarterback.

CROSS COUNTRY

This year the cross country squad found itself in the enviable position of having too many aspirants. Therefore, the squad was broken up into a varsity team and a J.V. group.

Under the spirited coaching of Mr. Black and Mr. Cintas, the varsity cross country team had a fine season with six wins and two losses. Hard work and superior ability paid off as Mike Gallagher, Captain Gay Dorman, Don Clark, Pete Allen, Mark Leonardi, and Rick Cooper racked up fast runs and solid wins. Mike Gallagher, former Rutland High School star, set and broke records on nearly every course over which he ran.

The season opened with a meet against an always strong Rutland team. After losing this race, 31-24, the V.A. runners bounced back with a win over a good Keene squad, 26-30. This score was repeated in the next meet with Putney. In the following week, the harriers returned to Rutland and lost a close one, 29-26, although Gallagher set a course record there with a time of 12:34.

Brattleboro came up to V.A. for the next race and was solidly routed, 21-39, as Mike Gallagher broke the V.A. course record with a time of 11:59. The Academy runners then returned to Brattleboro and, racing on a rain-soaked course, won by the score of 26-33. The last two meets of the season were run over a new, longer V.A. course. The Vermont runners beat the Mount Hermon J.V.'s, 20-37, and then overwhelmed Putney by a score of 17-41.

The Junior Varsity squad also had a winning season. Composed of A. Mitchell, Noonan, Brodhead, Denker, and Hubert, it won over Keene, Brattleboro, and Putney, and tied Springfield.

Next year's cross country team will be built around a nucleus consisting of Captain-elect Rick Cooper, fleet-footed Don Clark, Angell, Brodhead, Dorman, and Alan Mitchell.

VARSITY BASKETBALL

Before the start of the season, the outlook for the Varsity Basketball team was rather dim, as all but one starter had graduated from a sub-par 1959 team. Captain Norm Swift was the lone player returning from last year; Paul Singer, Mark Leonardi, Jack Quebman, Larry Cray, and Jay Eberle came up from the J.V.'s of last year, while the newcomers to the V.A. court were Paul Stagner, Jim Haley, Porter Hulett, Ed Potter, and Pete Vea.

The outlook brightened considerably when V.A. routed Cushing Academy on the home court in the first game of the season, 71-48. V.A.'s 71-point total was a record breaker, the highest score made by a Vermont team on the floor of the Williams Gymnasium.

After winning a close match at New Hampton, the Wildcats journeyed to Mount Hermon, where they finally pulled out a 58-57 win in one of the most exciting games seen then finally pulled out a 58-57 win in one of the most exciting games seen by either school in many years. After a slow start, "Sheriff" Haley unleashed seven field goals during the second half to finish as the game's high scorer with 21 points.

After the three-game road stint, the Acads were host to K.U.A. at the Vermont Winter Carnival. The Wildcats won easily, 58-43, before a large crowd of spectators. During the following week, a tall Darthmouth Freshman "B" team and a vengeful K.U.A. team nipped V.A. with good second-half shooting. A refreshing victory over the Alumni All-Stars, 52-44, set the team up to trip a tall Deerfield quintet to the tune of 61-51. This game was highlighted by the record-breaking performance of Captain Norm Swift as he pumped through 35 points. The previous record of 34 points for one game was held by two former V.A. players, Mike Nason and Don Angell.

Three days later the Wildcats went to Middlebury College, where they played the Freshmen and emerged with a win only after battling through an overtime period. At Cushing the following week, they came out on top in a close, 43-37 game.

With four consecutive victories under their belts, the V.A. hoopsters hosted Worcester's New England champions. The first half ended with Vermont ahead, 27-26, but the visitors scored high in the third quarter and finally won. Jim Haley, Mark Leonardi, and Paul Stagner all hit double figures. At Deerfield in the next game, V.A. came from behind in the second half to overwhelm the Green team, 53-41. On February 23, a highly-touted Tilton team came to Saxtons River and were soundly defeated, 74-65, as V.A. broke the scoring record again. Paul Stagner led the scoring parade with 19, while Swift, Leonardi, Haley, and Singer all hit double figures. On the following Saturday, the Widcats had difficulty getting used to Williston's court and were defeated. Then, in a game which both teams wanted very much to win, V.A. beat Mount Hermon.

On Wednesday, March 2, the Widcats journeyed to Fryeburg Academy, with a stop for lunch at Tilton, to play in the semifinals of the New England Prep School Championship tournament. They lost to an all-p.g. Maine Central Institute team in a game which was very clase during the first half. The final score was 68-55.

Through the able coaching of Mr. Castagner, the staunch morale of the players, and the skillful use of a considerable fund of talent, the Varsity Basketball team compiled a season record of 11 games won and 4 lost, in one of the best seasons in recent years.

J. V. BASKETBALL

With returning lettermen Hickcox, Chase, and Zinn, former third team players Gillette, Hope, Partel, and Lester, and newcomers DuBois and Dorman, the J.V.'s got off to a fast start. They defeated the visiting Cushing J.V.'s, 45-27.

The team then lost to a good Mount Hermon Club and to a big, experienced Bellows Falls team. Journeying to Meriden, the J.V.'s beat the Kimball Union junior team with the help of high-scoring freshman Wes DuBois. Next they lost to Mount Hermon but beat Leand and Gray, K.U.A., and Cushing, with Captain Gay Dorman and Wes Dubois leading the scoring. After a loss in double overtime to Leland and Gray, the J.V.'s won four games, defeating Mount Hermon twice, Deerfield once, and Bellows Falls once.

Consistent high scoring and good playing were evident on the part of Captain Gay Dorman, Wes DuBois, Fred Gillette, Woody Hickcox, center John Hope, Bill Denker, and Greg Chase. Mr. Lucy did his usual fine job of coaching the J.V.'s.

THIRD BASKETBALL

The Third Team had a good season this year, despite the fact that Coach Van Order had had very little experience with basketball and consequently had to learn with the team. The team finished with a record of 4 wins, 1 loss.

The Third Team is made up of those boys who do not have the experience and height necessary to make the J.V.'s, augmented by those boys who wish to play more in competition than would be possible if they were on the second or third string of the J.V.'s.

The first two games of the season, with Springfield, were won easily after slow starts. After defeating K.U.A., the team lost to Bellows Falls and then beat K.U.A. again.

A large part of the team's success can be accounted for by George Steinhoff's height and defensive ability, Captain Brian Angell's spirit and determination, Don Hubert's aggressiveness, and Marshall Gleasons' shooting ability, plus the talents of Tom Talbot and Peter Geiger.

VARSITY SKIING

At the beginning of the season the outlook for the Varsity ski team was dim, as there were only three skiers returning from last year's squad. But these three, Mark Ottey, J.D. Reynolds, and Sam Bartow, were soon surrounded by a shell of newcomers, including Mike Gallagher, Bob Morse, Brad Caswell, and Jan Bower.

The first competition was a Nordic meet with Mount Hermon, which revealed a strong potential in both jumping and cross country. This decisive victory was followed by the V.A. Winter Carnival in which V.A. was host to Kimball Union Academy, Dartmouth Freshmen, and Deerfield Academy. Darthmouth had a strong team, especially in the Alpine events, but our even stronger Vermont team came through and won with powerful permormances in the Nordic events.

Vermont Academy then traveled north to the Kimball Union Academy Winter Carnival, where a lack of depth in the slalom and downhill forced V.A. into second place behind Holderness and ahead of Kimball Union Academy.

Next week the Varsity traveled east to meet a strong Proctor Academy team. Badly handicapped by the absence of Mark Ottey and Sam Bartow, who were at another ski meet, V.A. was quite badly beaten by this ski school.

A highlight of the season was J.D. Reynold's paring of the downhill record from 51.8 to 48.5 seconds in the meet on Feb. 27 with Williams Frosh and Dublin School, which Vermont won rather easily.

In what is usually the most important single meet of the season, the Eastern Ski Association Prep School Championships, V.A. was put completely out of the running by a bad break. In the slalom racing, several disqualifications forced V.A. to take a loss of 50 points in the scoring. Excellent performances in the other events, which might have put Vermont in first place otherwise, could not make up for this loss. In the meet, which was held at Middlebury College, Mike Gallagher won the cross country, Bob Morse and J.D. Reynolds did a good job on the downhill trail, and Sam Bartow did very well in the jumping.

Throughout the season, Reynolds led the downhill racing, Mark Ottey and Sam Bartow consistently jumped superbly, and Mike Gallagher lived up to his reputation as one of the best young cross-country skiers in the nation by turning in stellar performances at nearly every meet. As a result of his proficiency in jumping, Mark Ottey was selected eastern representative in the National Junior Championships.

J.V. SKIING

On this year's J.V. squad there were nine skiers who returned from last year's group to be the basis of a fine team. Mr. Black once again did the fine coaching job that the has always done in the past.

Although the team started the season with a loss to Dublin School, it returned strongly to beat Deerfield, Cardigan Mountain School, and Kimball Union Academy. After losing to Putney, the J.V.'s beat Deerfield and K.U.A.

The team showed a great deal of spark and effort which helped them a great deal in the tight spots. The team was strong in the Nordic events, with Don Eriod, Larry Niles, and Harry Brown standing out in jumping, and John Brodhead, Rick Cooper, Dave Chamberlin, and Larry Niles standing out in cross country. Don Eroin sparked the team with his cheerfulness. Larry Niles made the greatest improvement over the season.

As a whole the team had a good season. Its members will make a substantial contribution to next year's varsity, which will have to be rebuilt almost from scratch.

VARSITY HOCKEY

The Varsity Hockey team, coached by Mr. Choukas and led by Captain Crawford Sweeley, had a fair season. The veteran nucleus of Crawford Sweeley, Ted Okie, Bob Laughton, Ward Kenny, and Bill Bosworth was augmented largely by inexperienced players.

Vermont's untested team met a strong and experienced Deerfield squad in the first game of the season and lost, 16-1, its lone goal coming when Captain Sweeley received the puck at the blue line and went in on a solo. This defeat didn't discourage the squad, and they kept up the spirit which they had had from the first day of practice.

The Wildcats lost their next game to Mount Hermon, 8-1. V.A. fought hard but did not yet have the organization necessary to beat a strong club. The Varsity then lost twice in succession to K.U.A., in the Winter Carnival games of the two schools. On its own ice in the first of these two games, V.A. was unable to get going despite enthusiastic support from students and their dates on the sidelines. At Meriden, K.U.A. managed to shut out the Wildcats again, in spite of spirited play by the offensive lines and staunch goal-tending by Kurt Westergren.

On a clear, cold day the Varsity played the Alumni All-Stars, but the grads proved too strong for the younger team and won, 6-3. Vermont finally got its first victory, a long-awaited and deserved one, as they beat Hanover High School, 8-0. All three lines did a good job in this game, particularly the first line composed of Sweeley, Okie, and Laughton. The squad then journeyed down to Williams College to play the Freshmen but lost by a score of 12-1.

The V.A. pucksters went to Deerfield to take on the Big Green in a heard-fought game. This turned out to be one of V.A.'s finest games, although the score was 10-1 in Deerfield's favor when the final buzzer sounded. Laughton, Okie, and Sweeley again stood out on offense, while hard-playing Ward Kenny's defensive play did much to slow down the Green men.

The team wound up the season in a blaze of glory, defeating Hanover High School again on Darthmouth ice. Goalies Kurt Westergren and John Anderson held the northerners to three goals, while Sweeley, Kenny, Okkie, Laughton, Compson, and Lardner all chipped in to total nine points for V.A. Kenny played his usual game on defense.

JUNIOR VARSITY HOCKEY SQUAD—*Standing:* Compton (manager), Flatow, Weeks, Eastman, Rose, Clarner, Higgins, Rusell, Wegner, Dowlin, Hastings, Mr. Hinman (coach). *Seated:* Schladermundt, Heffernan, Shields, W. Clark, Boothby, Taylor, Handley, Calder, Knight, Ruth, Linder.

J.V. HOCKEY

The fairly good season of the Junior Varsity hockey team was due largely to the fine coaching of Mr. Hinman and the very good spirit of the players.

The season started with a good win over Kimball Union Academy on January 13. On the 16th V.A. lost a tough game to Mount Hermon when the Hermonites scored in overtime. On January 27 Cushing Academy won a well-fought game by the score of 4-1.

The game scheduled for January 30 had to be postponed because of unfavorable weather. When the J.V.'s resumed play it was against Putney, and the junior Wildcats were able to win despite poor ice. Two days later a squad from Deerfield defeated the Vermonters on V.A. ice.

A stretch of warm weather early in February forced a number of cancellations. On February 13 the team journeyed to Deerfield to play indoors. They lost but went down playing one of their best games of the season.

The season was concluded on the Darthmouth rink in Hanover, February 27 when the squad was divided into two teams for games with their opposite numbers from Holderness Academy. Each school came away with a victory.

The team all season had the kind of spark that is good to see in a J.V. team. Returning members should make a name for themselves on the Varsity squad next year.

Standing: Woodard, Rose, Erion, Antosca, and Mason.
Seated: Dorman, Clarner, Lardner, and Hulett.

STUDENT COUNCIL

The Student Council began this year by responding to Mr. Tuttle's suggestion that sophomores and freshmen be represented on the Council. The amendment to the Constitution was voted upon and approved at a student meeting. The Council now consists of five seniors, two juniors, one sophomore, and one freshman.

In the fall the Council sponsored the trip by the whole school to the Kimball Union football game. It arranged the Kurn Hattin Christmas party and promoted the dance with the Mary A. Burnham School at Northampton.

Perhaps the most noteworthy accomplishment of the Council was the securing of ski trips for interested groups to Bromely, Snow Valley, Okemo, and other near-by ski resorts. The Council also won faculty approval for a typing course, which will be made available to all students next fall.

Jon Clarner was president of this year's Council. Other officers included Penn Lardner, vice-president; Gay Dorman, secretary-treasurer. Seniors on the Council also included John Antosca and Porter Hulett; juniors were Don Erion and Bill Rose; the sophomore representative was Bill Mason, and the freshman representative, Bob Woodard.

OUTING CLUB

The Outing Club is the oldest organization on the campus. Its membership is virtually the entire student body as well as most of the faculty and their families. The club stimulates and provides outdoor activities by programs in hunting, fishing, and hiking. It assists in such annual activities as the Candlelight Service and the Winter Carnival. It contributes in a general way to all facets of school life.

This fall the Trail Crew, a division of the Outing Club, could be seen every day in the afternoon working on ski trails and maintaining the other outdoor facilities. They improved the downhill and cross-country trails, and the slalom slope. They repaired worn parts of the ski tow and installed a telephone line on the downhill trail for communication from top to bottom. They also stocked the brook with trout and repaired the fireplace on Crystal Rock, the traditional site of the Mountain Day outing.

Mountain Day this year saw the addition of a new goal for some of the picnickers—Divoll's pasture—the trail to which was newly blazed to guide the hikers.

The Outing Club launched its yearly program in the fall with an open house at the cabin. A "sugaring-off" party in the spring was very popular. Trips to Stratton Pond and Lake Dunmore highlighted the year.

Standing: Bill Shields, Cabin and Trail representative; Mark Ottey, Ski team captain; J. D. Reynolds, Ski representative. *Seated:* Phi Cannon, president; George Yeomans, vice-president; Reginald Blauvelt, secretary-treasurer; Mr. Chivers, faculty adviser.

GLEE CLUB AND OCTET

Boys in the Glee Club have an opportunity for training in singing, blending as a group, and making public appearances. This year's club was the largest ever, totaling 65 voices divided into four classes—first and second tenors, baritones and basses—according to the singer's range.

The Club made its first public appearance in the fall on Parents' Day at the morning church service. The principal appearance before Christmas was the traditional Candlelight Service in December. A joint concert with Kimball Union was planned as a tune-up for the Annual Prep School Glee Club concert at Northfield, as was also a joint concert with the Mary Burnham School Glee Club.

In the spring an enjoyable concert was shared with girls from the Stoneleigh-Prospect Hill School.

Penn Lardner was president of the Glee Club, Woody Hickcox, vice-president, and Peter Mitchell and Ronald Stewart, managers.

The V-8's octet are a select group of boys from the Glee Club who have a definite talent for singing and whose voices blend pleasingly. They sing popular numbers and standard octet numbers, concentrating on close harmony.

The V-8's made a number of appearances during the year, and their services have been sought by the local service clubs.

Left to right: Second tenors—Reginald Blauvelt and Ed Steinle; first tenors—Ronald Stewart and Penn Lardner; baritones—Peter Allen and Bill Bosworth; basses—Peter Van Schaick and Woody Hickcox.

Standing: Cutting, Minich, Van Schaick, Lester, Seeley, Zinn, Woody Hickcox. *Seated:* Livermore, Matheson, Eliassen, Wolf, Partel, Talbert, Angell, Hastings, and Cabot.

BAND AND CHEERLEADERS

The Band and Cheerleaders were principally active in the fall when their presence at football games added materially to the color and spirit of the occasions, or contributed to pre-game enthusiasm at the pep rallies.

Under Mr. Tischler's supervision, the two groups sharpened their skills in pep-inducing activities. Paul Singer headed the Cheerleaders, who introduced a number of new sight and sound effects.

This year's new policy of allowing the student body to travel with the team to games away gave a wider play to the Cheerleaders' efforts, for they appeared at Deerfield, Cushing, and Kimball Union.

Standing: Crawford Sweeley and Paul Singer. *Kneeling:* Woody Hickcox, Kurt Westergren, and Peter Crowell.

Standing: Westergren, P. Mitchell, Noonan, Denker. *Seated:* Seeley, Cannon, Wallace, Kilgore.

LIFE

The Life Staff has a two-fold responsibility: to see that the bulletin board edition on the first floor of Fuller is kept reasonably up-to-date with pictures and news, and to provide material for the quarterly printed edition whose 3000 circulation goes to all alumni and parents as well as to those at the school.

Phil Cannon headed the staff on the editorial side, while Denis Noonan was responsible for the business end of the publication. Paul Butler and Kurt Westergren were active in the sports department, while Bob Seeley reported campus news. Dick Wallace was photography editor. Bill Denker and Jess Kilgore rounded out the top staff.

Standing: Chamberlin, Westergren, Seeley, Yeomans, Bosworth, Cannon, Denker, Kilgore. *Seated:* Minich, Clarner, Hickcox, P. Mitchell, Noonan.

WILDCAT

This year's Wildcat Board was determined to produce a book that would long be cherished as a record of their last year at Vermont Academy. Peter Mitchell, who had assisted last year's staff, and Woody Hickcox headed the board. Jess Kilgore turned his artistic talents to good account in his design of the cover, the title page and the section dividers. Roy Minich's drawing skill also contributed to the art work. George Yeomans, assisted by Bill Bosworth, carried the responsibility for the photographic side of the book, with Mr. Bosworth supervising in this area. Phil Cannon had charge of senior statistics and information in the senior album; Bob Seeley wrote up activities and organizations; Jon Clarner directed the sports department. Assisting with writing and typing were Bill Denker, Kurt Westergren, and Dave Chamberlin. Heading up the business side of the yearbook was the business manager, Denis Noonan.

SCIENCE CLUB

The Science Club has a two-fold aim: to inspire students in scientific studies and curiosity, and to give them, through lectures and movies, an outlook on the more practical and tangible applications of science.

Programs of the Science Club this year included movies on breaking the sound barrier, pharmaceuticals, and forestry, and lectures by educators from schools in this area.

A highlight of the year was the lecture on the Universe by Dr. James A. Coleman of American International College, Springfield, Mass. Dr. Coleman's fascinating lecture attracted a large number of students to Leonard Lounge on Friday evening, February 12.

Another lecture was presented by Kent D. Lawson of Bennington College on March 1. He spoke on some basic research and teaching methods in physics.

Mr. Bosworth was faculty adviser for the club, which numbered 61 members. Officers were Robert Laughton, president; Crawford Sweeley, vice-president; Brad Caswell, secretary; and Peter Allen, treasurer.

Top row: P. Mitchell, Ford, Steinhoff, Erion, Rose, Quebman, Taylor, Eberle, Yeomans, Dowlin, Haley, Toothaker. *Fourth row:* Mr. Bosworth, P. H. Gallagher, Compton, Cabot.

CAMERA CLUB

The Camera Club offers boys experience and training in various areas of photography: taking and developing and printing pictures, and learning more about the care and use of the camera.

Members of the club are responsible for taking many pictures around the campus of various school activities to be used in the school magazine and yearbook and in publicity releases.

In the fall Mr. Leon S. Gay, V.A. '02, a trustee of Middlebury College, gave a fine talk on his recent trip to South America with Mrs. Gay. He illustrated his travelogue with a number of beautiful color slides.

In the winter Mr. Bosworth showed colored slides and photographs he took last summer out West. In the spring the Camera Club enters the Vermont State Camera Club Exhibit at Manchester. At the close of the year the club exhibits for commencement visitors the cream of the current year's crop of pictures.

This year's president was Jess Kilgore; vice-president, Richard Compson; secretary, George Yeomans, and treasurer, Richard Wallace.

Top row: Quebman, Taylor, Odgers, Haley, Swift, Linder. *Third row:* Picot, Singer, Woody Hickcox, Toothaker, Lovely, Denker, Cooper, Talbert, Brodhead. *Second row:* Mr. Bosworth, Flatow, Tarshis, Caswell, Dunn, Weston, Baxter, Fuller, T. Standing: Mr. Bosworth, Tarbox, Picot, Wood, Compton, Cabot, Tom Gallagher. *Seated:* Baxter, Cannon, Wallace, Chamberlin, Weston, Bosworth, Cooper, Shields, Stewart.

ELECTRONICS CLUB

The principal function of the Electronics Club is to give its members practical experience in operating various pieces of electronic equipment. Operating movie projectors at the Saturday movies and on other occasions, and maintaining the P.A. systems in the gym and the chapel keeps the members busy.

Facilities have been provided in the Electronics Club room for aspiring members who wish to work on radios and other electronic apparatus. Officers this year were William Bosworth, president; David Chamberlin, vice-president; Joseph Weston, secretary, and Richard Cooper, treasurer.

Top row: Lovely, A. Mitchell, Nightingale, Eberle, Wallace, Eastman, Waldron. *Middle row:* Mr. Black, Livermore, Padelford, Bower, Sherbrook, Talbert, Fellows. *Bottom row:* Talbot, Crowell, MacArt, Shields, Singer, Baxter, Fuller, Wareham, Cutting.

RIFLE CLUB

Under the supervision of Mr. Black, faculty sponsor, and Paul Singer, president, the Rifle Club promoted a program with two main objectives: better and safer marksmanship, and interest in hunting in the great outdoors.

The rifle range in the basement of Jones Hall gives Rifle Club members an opportunity to sharpen their shooting eyes as well as to practice safe rifle procedures.

Following the sports season in the fall, hunting enthusiasts can be seen combing the surrounding hills in search of deer and game birds. Mr. Black and Mr. Chivers and other members of the faculty escorted these hunting groups on their forays.
